

BC Rides
Volunteer Registration Packet

To: Volunteer Drivers for the BC Rides Program

From: BC Rides Transportation Coordinators

Thank you for your willingness to volunteer as a driver in the BC Rides Program! In order to complete your registration for the program, we need the following information from you. These items must be on file for each volunteer driver in the program. Please assist us in gathering our information by providing the following needed items.

- _____ PHOTOCOPY OF YOUR CURRENT Georgia Driver's License
- _____ Proof of automobile liability insurance (a copy of your coverage declaration page showing amounts of coverage)
- _____ Volunteer Contact Information
- _____ Emergency Procedures for Program Volunteers Sheet (see attached) – signature required
- _____ Georgia Department of Driver Services, Request for Motor Vehicle Report (MVR) form (see attached) –signature required
- _____ Volunteer Confidentiality and Conflict of Interest Agreement (see attached) – signature required

A special thank you, also for volunteering to help those in need of a ride. We look forward to working with you as we transport residents who are in need. Without you we cannot help those who phone for transportation assistance, and many of the seniors in Big Canoe and its surrounding community would not be able to get to their medical appointments. You are a vital part of this program.

Please drop completed forms in the Wellness Collaborative Alpha Box.

Thank you,

BC Rides Transportation Coordinators
